# easyMarkets Affiliates

Our partner programme is one of the longest running and most successful financial affiliate programmes worldwide. Since 2001 we've paid out millions of dollars in commissions to our affiliates and introducing brokers for bringing clients to trade currencies, options, commodities and indices with easyMarkets®. In addition, partners also earn from the 2<sup>nd</sup> tier programme - 10% from all their referred partners' activity.

As a partner, you work with us to promote our business and we reward you for each new trader you bring. Affiliate marketing is an integral part of our company's marketing strategy and we work hard to ensure our partners get high conversions, prompt payments and the tools they need to succeed.

We take pride in offering highly rewarding and customisable commission plans that are unmatched in the industry.

There are many ways to promote us. It can be tailored to your existing business or you can build your business with our assistance. Promotion can be through your high-traffic website, blog or Facebook page or through personal referrals. There are many ways to market online and offline. Tell us what you need and we'll work with you to develop a winning solution for both parties.

## **Tell us what you need and we'll work with you to develop a mutual winning solution!**

As an **online affiliate** you receive a unique tracking link that can you embed on your website or use on your social media account. This allows you to automatically get credit for any account openings and trading volume that originated from your traffic. In addition, you can see from your affiliate account how many visitors you have sent to easyMarkets.com, even if they have not yet opened a live account.

## HOW IT WORKS

When you sign up to become a partner with us, you will receive access to tracking links and marketing materials that are linked to your unique account credentials. When visitors sign up with us, there is a record that these traders and sub affiliates are referred by you.

Please bear in mind that we are able to offer flexible schemes designed to fit the needs of every potential partner.

# CPA PER COUNTRY

## Only for Online Affiliates.

Online Affiliates have the ability to attract traffic from every country of the world and push it into tracking links, easyMarkets landing pages and corporate website. Affiliates may earn a CPA commission that varies based on their referred client's country of residence.

- Affiliates that can generate high volumes of client traffic and/or trading activity. Our highly-trained sales force converts your traffic into active clients, meaning high commissions for the affiliates.
